

Breeder of OSCAR-P, Dutch Hollow Farm, Featured in *Polled Place*

The Dutch Hollow Farm name is synonymous with Polled Jersey cattle. In the Spring/Summer 2020 edition of *Polled Place*, they are featured in the "Breeder Perspectives on POLLED" section.

566JE108 OSCAR-P comes from Dutch Hollow Farm. Here's what the article said about OSCAR-P:

"Polled bulls currently being used are those young sires being offered by AI that meet other criteria in regards to JPI and JUI along with some of the proven bulls. OSCAR-P would certainly be the heaviest used Polled bull in the herd in recent years."

OSCAR-P is the #2 Polled GJUI genomic sire at +31.3 GJUI. He is also the #2 Polled Type Genomic sire at +2.10 Type. Sired by Craze, the Polled genetics come from the maternal side of his pedigree. His dam is a Polled EX-93 Mik-P. She is backed by five generations of VG or EX dams.

Thank you, Dutch Hollow Farm, for making OSCAR-P available to IPS. He's another great example of a Polled Jersey Genomic sire available from IPS. For his complete sire summary information, go to: <https://ipssires.com/bulls/jersey-sires/details/132/566JE108-DUTCH-HOLLOW-OSCAR-P>. To place an order, contact IPS at contact@ipssires.com or 608-524-8086.
