

## High Type & Excellent Health Traits

We know just how difficult it is to find a high Type sire that has really good health traits. Well, we found him and his name is 566HO1327 REVELATION. REVELATION is +3.14 Type, an outstanding number considering the April 2020 Sire Summary base change. What makes this even more impressive is his +2.3 DPR. In fact, REVELATION is the only +3.14 Type Genomic sire with at least +2.3 DPR according to the April 2020 Holstein USA's Red Books Plus Program.

A careful look at his linear also indicates that REVELATION would be a great sire for robot environments.

An A2A2 sire, REVELATION is a Undenied out of a GP-80 Heisenberg. Thirteen of the next fourteen maternal dams are VG or EX.
