

## Top 100 R&W or \*RC Genomic Sire

At +2509 GTPI, 566HO1304 LAKE-RED is a Top 100 Red & White or \*RC Genomic Sire! What makes him even more unique? LAKE-RED is a 4.7% Calving Ease sire. In the Red & White arena where it is difficult to find a high GTPI and Calving Ease sire, LAKE-RED knocks it out of the park. LAKE-RED also has excellent health traits with +2.2 DPR and +6.1 PL.

When looking at LAKE-RED's linear, he shows moderate statues and added teat length, which makes him a great fit for robotic systems.

A Salvatore \*RC son, LAKE-RED's dam is a VG-85 Entitle. The next six dams are all VG or EX.

You won't be disappointed with LAKE-RED's complete information, found at: <https://ipssires.com/bulls/holstein-genomic-sires/details/119/566HO1304-TIGERLILY-SALV-LAKERED>. Semen is available by contacting IPS at [contact@ipssires.com](mailto:contact@ipssires.com) or 608-524-8086.
