

Classification Day at Oakfield Corners

During classification day at Oakfield Corners Dairy, this photo was snapped. The red cow standing? She's Freda, a VG-86 54HO552 BARBWIRE-RED daughter. She certainly confirms why BARBWIRE-RED is the #1 Body Composite bull of the breed. This is a designation BARBWIRE-RED has held for multiple sire summaries in a row. Along with the Holstein classifier, also featured in the photo is Jonathon Lamb, one of the partners at Oakfield Corners Dairy. He was also recently elected as Vice President of Holstein Association USA.
