

REV-ME-UP-RED Heifer is Jr Champion at Peru National Holstein Show

DCS Rev-M-Up Rainy Petunia, 566HO1231 REV-ME-UP-RED daughter, was Junior Champion at the Peru National Holstein Show. Petunia is owned by Diana Cunliffe Seoane from Chincha Ica, Peru. Congratulations to Petunia and Diana!

REV-ME-UP-RED is a confirmed Red & White Type specialist. He is +2.66 Type which ranks him as the #4 Type Daughter-Proven Red and White Sires. With 8.7% Calving Ease, REV-ME-UP-RED is also the lowest Calving Ease sire of the top four proven Type Red & White sires. His daughters are flat-boned, deep and open-ribbed cows with lots of style. Their wide rumps means great rear udders.

Because there is no Apple in his pedigree, REV-ME-UP-RED will be a great mating sire for the many Apple sons and grandsons available. He is a Defiant out of an EX-93 Contender that stood in the top three twice at the World Dairy Expo Red & White show.

REV-ME-UP-RED can sire the fancy one. Order your semen today by contacting IPS at 800-542-7593 or e-mail us at: contact@ipssires.com.
