

## **REVELATION: +3.95 Type +2.79 UDC +2.2 DPR**

If Type is your game, then 566HO1327 REVELATION is the new name for potential fame. With +3.95 Type, it's REVELATION's +2.2 DPR that makes him unusual and unique. It is very difficult to find this combination in a high Type sire. He is also +2.79 UDC and +2.03 FLC. REVELATION's production numbers are noteworthy with his high Type: +141 Milk, +.11% Fat and +.05% Protein. We are also impressed with REVELATION's 7.2% Calving Ease!

REVELATION is an Undenied out of a Heisenberg. Six of the next seven dams are VG or EX.

An A2A2 sire, we expect lots and lots of interest in REVELATION, as interest has been expressed in him being considered as a sire of sons. Semen is available. Contact IPS today to place an order at 800-542-7593 or [contact@ipssires.com](mailto:contact@ipssires.com).
